Since 2017, OMP has supplied the TOYOTA GAZOO Racing World Rally Team with fireproof racewear for drivers and co-drivers, suits for mechanics, and the HTE-One seats – the most successful and advanced ever in WRC history – with bespoke solutions developed to maximize safety and performance. The lineup also included Oliver Solberg, who recently clinched the WRC2 world title at the wheel of the Toyota GR Yaris Rally2, and celebrated a victorious debut in the GR Yaris Rally1 at Rally Estonia alongside co-driver Elliott Edmondson.
